Dear Parent/ Pupil

## Water Rationing Plan

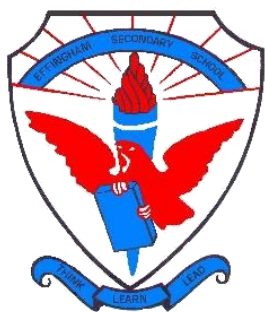

Effingham Secondary School is affected by intermittent municipal water supply. This is a problem faced by many areas and consequently schools. Presently, water is supplied for a limited period of time during the day in some areas, including Effingham Heights.

Please take note of the following:

- 1) School will be open on every school day unless otherwise communicated.
- 2) We have Jojo Tanks that will assist us with ablution facilities.
- 3) Inform your child not to drink water from our school taps, until the water crisis is resolved.
- 4) Provide your child with a container of drinking water and a small container of sanitizer when he/ she attends school.
- 5) If for some reason our school does not have water to provide ablution facilities, we will have to suspend tuition early. It will obviously not be possible to give advance notice of closure. Please consider transport arrangements for this eventuality.
